+91 6301568649 | ayeshabhanu03@gmail.com

github.com/bhanu65-4 | linkedin.com/in/dhudekula-bhanu-0b063a334

PROFESSIONAL SUMMARY

Computer Science Engineering (Artificial Intelligence) student with strong foundations in Java, Data Structures & Algorithms, SQL, and Web Development. Passionate about software development, problem-solving, and building scalable applications. Seeking opportunities to apply technical skills and contribute to innovative projects.

EDUCATION

Ashoka Women's Engineering College, Kurnool, AP	B.Tech – CSE (AI) 2023–2027 CGPA: 8.46/10
SR Educational Academy, Anantapur, AP	Intermediate (MPC) – BIEAP 2021–2023 90.8%
Oxford Residential High School, Anantapur, AP	Matriculation (SSC) – BSEAP 96.9%

TECHNICAL SKILLS

Programming Languages: Java, C, SQL, JavaScript

Web Technologies: HTML, CSS, JavaScript, Node.js, Express.js

Database Technologies: MySQL, DBMS

Core CS: Data Structures & Algorithms, OOP, Operating Systems, DBMS

Development Tools: Git, GitHub, Visual Studio Code

PROJECTS

AI Career Guidance System | *Node.js, Express.js, JavaScript*

- Developed a web-based platform that recommends suitable career paths based on user interests and skills.
- Designed and implemented RESTful APIs using Express.js for efficient recommendation generation.
- Built an interactive and user-friendly interface for career exploration.

Student Management System | *Java, MySQL*

- Developed an application to manage student records, attendance, and academic information.
- Implemented CRUD operations using Java and MySQL.
- Applied Object-Oriented Programming principles for modular and maintainable design.

ACHIEVEMENTS

- Solved 100+ Data Structures & Algorithms problems.
- Completed Smart Interviews Data Structures & Algorithms Program.
- Maintaining a CGPA of 8.46/10 in B.Tech CSE (AI).
- Developed full-stack web applications using Node.js, Express.js, and MySQL.

CERTIFICATIONS

- Data Structures & Algorithms Certification – Smart Interviews
- Cyber Hygiene Practices – MeitY, Government of India

LANGUAGES

English | Hindi | Telugu

DONAPARTHY LASYA PRIYA

Bachelor of Technology | CSE Ashoka Women's Engineering College

Kurnool, Andhra Pradesh-518001| +(91)-8019277023 | donaparthyl@gmail.com | [LinkedIn](#)

CAREER OBJECTIVES

I intend to be a part of an organization where I can constantly learn and develop my skills and make best use of it for the growth of the organization. I look forward to establishing myself by adapting new technologies as well.

PROFESSIONAL SKILLS

- **Programming Languages:** Core Java, HTML, CSS, C
- **Databases:** MySQL, DBMS
- **Tools:** Canva, VS Code, GitHub
- **Regional Languages :** English,Telugu,Hindi
- Proficient in MS Office.

PROJECTS

Foodie Delight – Restaurant Web Application

Technologies: HTML, CSS, JavaScript

- Built a fully responsive multi-page restaurant website improving user accessibility across devices.
- Designed clean and user-friendly UI with structured navigation for better usability.
- Developed interactive features such as form validation using JavaScript.
- Enhanced visual design using advanced CSS styling and layout techniques.
- Ensured cross-browser compatibility and mobile responsiveness.

EDUCATION

- Pursuing B.Tech CSE from ASHOKA WOMENS ENGINEERING COLLEGE KURNOOL, till now 82%.
- Intermediate MPC from NARAYANA JR COLLEGE affiliated to Board of Intermediate Education, A.P in the Year 2023, with 93
- SSC from PRASAD TALENT SCHOOL affiliated to the Board of Secondary Education, A.P in the 2021, with an aggregate 98% .

CERTIFICATION

- Certified in English Language for Competitive Exams(NPTEL).
- Certified in AI Skills Passport Offered by EY and Microsoft.
- Participated in a Generative AI workshop conducted by NxtWave.
- Certified in java programming language by Code Chef.

CO-CURRICULAR ACTIVITIES

- Active participant in quiz programs, games and seminars in school and college
- Volunteer at many Social Activities.
- Reading Books & Listening to Music

PUTTA SHIVANI

B.Tech – Electrical & Electronics Engineering | 3rd Year | CGPA: 7.98 / 10

+91 6302054407 | shivaniputta962@gmail.com | Kurnool, Andhra Pradesh

OBJECTIVE

Electrical & Electronics Engineering student seeking opportunities to apply Java development, embedded systems, and problem-solving skills in a professional environment. Committed to continuous learning and adding value to a growth-oriented organization.

EDUCATION

Ashoka Women's Engineering College, Kurnool

B.Tech – Electrical and Electronics Engineering 2023 – 2027 | CGPA: 7.98 / 10 (79.8%)

Sree Jeevana Jyothi Junior College, Giddalur

Intermediate – MPC | AP Board 2021 – 2023 | 83.7%

Viswabharathi IIT Foundation School, Giddalur

Secondary School Certificate – AP Board 2020 – 2021 | 99.6%

TECHNICAL SKILLS

Languages: Core Java, Python (Basic)

Core Engineering: Embedded Systems, Switchgear & Protection, Electrical Circuit Analysis

Concepts: OOP, CRUD, SDLC, Exception Handling, Machine Learning (Basics)

Tools & Platforms: Google Cloud, Microsoft Azure, NPTEL, Git & GitHub (Basic)

SOFT SKILLS

Strong Communication • Team Leadership • Event Organization • Adaptability • Time Management • Problem Solving • Interpersonal Skills

INTERNSHIP EXPERIENCE

Core Java Developer Intern • Pursuit Future Technologies

June 2024 – August 2024 (3 Months) | Remote

- Mastered Java fundamentals: data types, control flow, exception handling, and the collections framework.
- Applied OOP principles — encapsulation, inheritance, polymorphism, and abstraction — across all project work.
- Designed and built two console-based Java applications from requirement gathering to final implementation.
- Improved code quality through structured coding challenges, debugging sessions, and peer code reviews.
- Gained practical understanding of the Software Development Life Cycle (SDLC) and version control basics.

PROJECTS

Hospital Management System • Major Project – Core Java

- Built a console-based Hospital Management System with modules for patient registration, doctor scheduling, billing, and discharge.
- Applied OOP class hierarchies (Patient, Doctor, Staff) using inheritance and polymorphism for scalable design.
- Implemented file handling for persistent patient record storage with robust exception handling throughout.

Student Record Management System • Minor Project – Core Java

- Developed a CRUD console application to add, view, update, and delete student records.

- Used Java ArrayList and HashMap for efficient in-memory storage with search/filter by ID, name, and department.
- Applied modular design separating UI logic, data models, and business logic into distinct classes.

CERTIFICATIONS

- Introduction to Generative AI Studio – Google Cloud & Simplilearn (Skill Up)
- AI Skills Passport – Ernst & Young (EY) & Microsoft
- English Language for Competitive Exams – NPTEL IIT Madras
- Core Java Programming – Pursuit Future Technologies (Internship Completion Certificate)

ACHIEVEMENTS & PARTICIPATION

- 1st Place – Poster Presentation at E-Cube Technical Event.
- Participant – Smart India Hackathon (SIH) 2025: National-level team solution development.
- Participant – SAP Hackathon: Enterprise-level problem-solving and solution design.
- Event Host & Coordinator – Organized multiple college technical and cultural events.

Email: shivaniputta962@gmail.com

LANGUAGES

English (Professional) • Telugu (Native) • Hindi (Conversational)

SUMMARY

EEE student with hands-on Java development experience, AI certifications, and national hackathon participation. Eager to leverage technical skills, leadership experience, and a growth mindset to contribute effectively in any professional role.

BUTRA GOWTHAMI

+91 8712349306 | Dharmavaram, Andhra Pradesh, India | gowthamibutra7@gmail.com | [LinkedIn](#) | [GitHub](#)

CAREER OBJECTIVE

Aspiring AI/ML Engineer and Computer Science undergraduate specializing in Artificial Intelligence with strong foundations in Python, SQL, Data Structures & Algorithms, Object-Oriented Programming, and Machine Learning. Skilled in developing data-driven applications and problem-solving through academic projects and internship experience. Passionate about Artificial Intelligence, Machine Learning, Natural Language Processing, and Generative AI, seeking opportunities to contribute to innovative AI solutions while continuously expanding technical expertise.

SKILLS

Programming & Development: Python, Java, C

Core Concepts: Data Structures & Algorithms, OOPs, Machine Learning (Theoretical)

Database Technologies: SQL, MySQL

Tools & Technologies: Tkinter, API, Integration GitHub

Soft Skills: Effective Communication, Team Collaboration, Problem Solving, Adaptability

INTERNSHIP

Python Development Intern

Oct 2025 – Nov 2025

Coding Samurai

- Completed 4-week Python development internship focused on real-world project building.
- Developed multiple Python-based applications using GUI programming and API integration.
- Gained practical experience in Tkinter, event handling, debugging, and application logic development.
- Strengthened coding skills through hands-on implementation of mini software projects.

PROJECTS

Weather Report Application

[View Project](#)

- Built a Python-based Weather App that fetches real-time weather data using API integration.
- Retrieved live weather details for any city using JSON data parsing and API response handling.
- Enhanced practical understanding of API connectivity and real-time data processing.

Number Guessing Game

[View Project](#)

- Created an interactive Number Guessing Game using Python and Tkinter.
- Implemented random number generation, logical condition checking, and GUI-based user interaction.
- Improved understanding of Python GUI programming and application logic development.

EDUCATION

Bachelor of Technology in Computer Science & Engineering (AI), Ashoka Women's Engineering College, Kurnool
GPA: 8.2/10 2023 - 2027

Intermediate, Sri Sathya Sai Arts and Science Junior Women's College, Anantapur
Marks: 926/1000 2021 - 2023

Secondary School Certificate (SSC), KSR Government Girls High School, Anantapur
Marks: 517/600 2020 - 2021

CERTIFICATIONS

- Python Developer – SoloLearn
- Machine Learning for Beginners – SoloLearn
- Python Development Internship Certificate – Coding Samurai
- Graphic Designing Internship Certificate – InAmigos Foundation

ACHIEVEMENTS

- Successfully completed multiple internship-based Python development projects.
- Published project work on GitHub portfolio repository.
- Actively shares learning milestones and certifications on LinkedIn.
